We have recently received your signed sixty day notice to vacate the property at 1700 Jacqueline Court. We have enjoyed you as residents and are truly sorry to see you leave. We hope your stay with us has been enjoyable. Don't forget to transfer all utilities to your new address and complete a change of address with the post office. As you prepare to move we would like to take this time to remind you of our Move Out Policies and Procedure. It is important that each step be followed in order to be eligible to receive your Security Deposit Refund.

Please remember, according to your lease, we are authorized to place a lock box on your door 45 days prior to your move out date. If you would like to buy out of this option, you may do so for a fee of \$500. We will try our hardest to avoid placing a lock box on your door as long as you are cooperative with our agents if they would like to show your home to prospective residents.

You may request a move-out inspection with one of our Frontline representatives. Our Representative will walk the property with you. Our representatives have no authority to bind or limit the company regarding deductions for repairs, damages, or charges. The representative will simply note any issues they discover at the time of inspection. Charges will be accessed by the property manager after such time that estimated costs of repairs can be obtained. If you would like a move out inspection, please contact our office no later than one week prior to your requested inspection date. We will do our absolute best to accomodate your request; however, the Make Ready Coordinator's calendar books up quickly, especially towards the end of the month. Inspection requests are on a first come, first served basis.
